

LEYRE DE CEPEDA

PHD - DIGITAL TRANSFORMATION SPECIALIST

With only 35 years old I have +10 years of experience in the marketing and communication industry. I combine my main job as a Communication Specialist with teaching in the University. Actually I have more than 300 students in my classes learning about how the digital transformation involves all in our lives.

Proven experience in all fields of communication. Excellent sales, leadership and project management skills. A result oriented professional. Culturally sensitive, responsible with the work with excellent common sense. Persistent, creative and proactive.
